MEMORANDUM IN
SUPPORT OF MOTION

The Defendant in a timely and factual manner filed his motion with an incorporated pleading of pauper status to receive said transcripts. Upon several written commueques to the Court Reporter (Attached are Exhibit of such) the Defendant replies and upon to no avail never received such from the Court.

Wherefore the Defendant has serious evidence under FRCP. That the Court of Appeals must and needs to examine failure is a violation of the Defendant's Constitutional Rights and due process, along with evidence that needs a clear critical examination.

Pursuant to 28 U.S.C. 1651 and that failure for this Honorable Court to do is not allowing a Evidentary Hearing before the 3rd Circuit Court of Appeals.

It was, however, no fault of the Defendant or the lack of him not trying to adhere to the rules of procedure, since the Defendant has followed FRP of motion requests and has not been completely familiar with such, praise upon the Court to grant his motion and Memorandum along with the Exhibits of facts of his honest and true attempt to abide by his court and the law.

Respecfully submitted,
Geovani Davilia

RE: U.S. V. GEOVANI DAVILA

Dear Court Reporter,

CASE # 1:01-CR-018

I am in need of status of when my transcripts which needs to be certified I have filed a motion with court for these. Attached you will find order from court of appeals showing my deadline, if said time is not enough I think maybe a letter with an Affadavit would make the letter to the court extend the time.

I understand that you are very busy and that you will or may need additional time. If you would reply quickly to me, so that I may let the Court of Appeals know, I am very tense with short time.

I eagerly await your reply.

Sincerely yours,

Geovani Davila
